Mayor:

- Normandy will be partnering with Pasadena Hills to tear down the old firehouse and replace it with a memorial for Police, Fire and Ems who died in the line of duty. There is only one other such memorial in the St. Louis area, so we would be the second.
- I believe we should partner with Ferguson and be a sponsor for the twilight walk/run, we can use \$500.00 funds from the public relations budget.
- Service days for Normandy should be scheduled for warmer days and better weather. I would also like to see a link for volunteers to sign up on the Normandy web page.

Councilperson Moss:

- I would like to say I was disappointed to see that the MSD proposition failed.

Councilperson Evans:

- No report absent
-

Councilperson Hunt:

Councilperson Knox:

- I think it would be positive if we join with Ferguson for the Twilight Run. It is being sponsored by Emerson, YMCA, Fit Foods, Girls on the run, Christian Hospital. They will put our name on the shirts for the 10th year of the program. I feel like this will be a great thing to community togetherness. The cost is \$500.00, and I looked over the budget and saw we could use the Public Relations account. We need to get it into the newsletter and on the web site.
- I will be doing the newsletter so if would like to something added to it please submit it within the next couple of weeks. I would like to add things like the information on the School district information.
- I would also like to put the survey in the newsletter with a self-address stamped inside so they will mail them back. It is time we talk to the citizens and see how they are feeling.

Councilperson Reid:

- I would to like propose a special "Help Day" every month for the residents and council to have some sort of service project for the city.
- Maybe we can do a bonfire for the residents and get some of the citizens together.
- Councilman Reid wanted to know if there will be walker in the Augusta Reunion parade.
- Is the Firehouse going to be on a grant? Rodney stated yes about \$375.000.00
- I agree we need to honor our fallen officers.
- I would like the service day posted on the web site.
- I would like the update on the market. Mayor Green responded he has not been in contact with the owner he is out of the country.

Councilperson Nelson:

- When the firehouse is torn down I was told we could have a food stands, for sale or rent.
- We had a great chess tournament, we have another one on July 9th, 10th at St. Vincent's and

Public Works Department – Rodney Jarrett:

- The Chain of Rocks Trash Bash Saturday March 23, 2019 went well, they have new people in charge and it could be run smoother, but it ran well.
- Rodney presented the new council person Lawanda Smith to the board.
- Rodney ask if councilperson Reid had a list of volunteers please let him know the names, he would like to set up a list for future use.
- Rodney said he would like to get a volunteer program for different projects and let the volunteers pick which ones they would like to work on.
- The dead line for passing the resolution sent to the council today is April 23, 2019

Police Report – Frank Mininni

- The Normandy School district gave out 3 awards to 3 different students for the “Strong Student Citizens Award”
- The new director of the school district and pleasant to work with.
- Normandy hosted a career day for 45 students here at city hall to hopefully help them get interested in police work.
- The k9 certification is in June for both our k9 dogs.

Citizens Comments:

- Terry Gannon is asking about a special permit for the Augusta Reunion. They would like to have old cars and possibly floats for a parade. Does that require a special use permit for June 8th, 2019?
- Freddy McClain - 5629 Bermuda I am having trouble with people stealing post caps from the fence. Plants, lanterns, angel statues have been stolen. The police need to watch the area closer.
- Mr. McDonald - I would like to know if we are having a spike in police pursuits recently, there has been 2 or 3 in my area. The Chief responded that due to Senate Bill 5, a lot of things have changed.
